EAT LESS MEAT

if Bladder Bothers You-Drink Lots of Water.

Eating meat regularly eventually pro-duces kidney trouble in some form of other, says a well-known authority, because the uric acid in meat excites the kidneys; they become overworked, get sluggish, clog up, and cause all sorts of distress; particularly backache and misery in the kidney region: rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness,

bladder and urinary irritation. The moment your back hurts or kid-neys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water be-fore breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irri-tates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidney and urinary organs clean, thus avoiding serious kidney disease .- Adv.

Boy's Back Welted.

"I am personally opposed to flogsing children," Col. Capers said, "and since we have started an investigation at the Training School some of the facts that have been uncovered would shock any civilized community. A prominent busi-ness man came to me voluntarily and said that he was guardian of a boy at that institution. While visiting his ward the had to threaten the authorities of the school with legal proceedings to compel them to remove the boy's shirt so that he could see the condition of his back. GEORGE HAMNER SETS **NEW BOWLING RECORD**

George G. Hamner, a member of the Acme team, of the Washington City Tenpin League, shot the highest game of tenpins that has been rolled in the Na-tional Capital this season, on the Royal alleys, Saturday night.

Starting with a strike in the first frame Hamner continued driving all ten off on the first ball up to and including the ninth frame. In the tenth, with a chance of breaking the District record of 290, held by Bert De Yo, he went into the head pin a little too full and left two pins standing. These he gathered in on the next shot and in the tenth, working on the spare he dropped down seven more giving him a total of 275 for the game. Hamner's mark is not only a or the season, but is also the for the season, but is also the higher game ever rolled on the Royal alleys.
